SERVING THE RENO-SPARKS INDIAN COLONY & HV COMMUNITIES

Native Day is celebrated the fourth Friday in September in both Nevada and California.

The Reno-Sparks Indian Colony acknowledges the invaluable contributions the Numu, Newe, Washeshu & Nuwvi have made to current lands now known as Nevada. Our Great Basin tribes continue to help shape future generations and the RSIC is a driving force in leading Nevada Great Basin tribes into a sustainable future. We honor our past, present and future to ensure our resiliency and exercise our sovereignty.

The RSIC Language & Culture Program hosts an annual Native Pride March around the RSIC Reno community. The march was led by the Hungry Valley Volunteer Fire Department fire engine. The RSIC tribal police ensured our safe passage along the high trafficed Mill St. and E. 2nd St. roadways. Our RSIC leaders lead the community along a well-traveled route around the RSIC community.

Youth marched with signs in hand proclaiming their Native pride. Elders came out of their homes to greet the marchers with friendly smiles and waves. Relatives greeted each other and gave encouraging gestures. After the march everyone assembled into the Reno gym to listen to Chairman Melendez read the Native Day proclamation. The dinner was provided by Nat's Tacos and team. We prayed over the meal and were served by the RSIC UNITY group.

Participants were able to capture photo memories thanks to Adriana Gutierrez's Glam booth. We ended the night round dancing to Jamie Stump and Toby Stump's round dance songs. Some participants were also inspired to share some circle dance songs to the line up.

The RSIC Language & Culture program would like to thank RSIC leadership, H.V. Fire, Tribal Police and volunteers for helping make the event a great success. Your RSIC language & culture program is looking forward to fall and winter cultural community programming.

Indigenous Peoples Day at TMCC with RSIC Tribal Chairman

RENO, Nev. - It isn't officially recognized everywhere. On some calendars it's still Columbus Day, but here in Reno and on the campus of Truckee Meadows Community College Monday, it was Indigenous People's Day. The school marked the occasion with dance, demonstration, and a history lesson.

The outline of that history was a timeline that stretches back before that other claimant for recognition for this day ever set foot in this hemisphere. A long, sad list of losses from the physical violence of war and eviction from ancestral lands to the cultural violence of enforced reeducation in boarding schools.

A history that includes the loss of life, culture and language.

But that history is finally being told, and Indigenous Peoples Day and events like this are part of that recovery.

"I believe it's recognizing the struggles we've been through," said Chairman Arlan Melendez of the Reno-Sparks Indian Colony. "But it recognizes the pride we have in being who we are. So, I think that's really the story."

Nevada has been home to four different tribes, each with their own culture and language. That too, is being recovered.

Cont...from page 6

“We’re starting to build that back up through education,” says Melendez. “We teach Paiute and Shoshone in some of the language classes here and at UNR for example, as well as some of the high schools.”

Those are important steps for today’s generations of Native Americans, but Melendez says a clear-eyed look at that often tragic history, along with an appreciation for what remains, has value for all of us.

“How Native Americans look at the earth, how we look at life and recycles. And so we want them to really understand and learn from Native American practices that still work today.”

COVID-19 Vaccines for Adults

COVID-19 is still around and there's no way to know how it will affect you. It's important to get vaccinated.

COVID-19 vaccines are safe and effective, and can prevent serious illness, hospitalization, and death from COVID-19. It is recommended that all eligible ages stay up to date on their COVID-19 vaccines, which includes getting booster doses when eligible. The vaccines are your best protection against COVID-19.

COVID-19 Vaccines are Safe & Effective

As of July 2022, over half a billion doses of COVID-19 vaccines have been safely administered to adults, children, pregnant persons, and people with underlying health conditions in the United States. We know the COVID-19 vaccines are safe and effective because they:

- Were developed using science that's been around for decades
- Meet standards for safety, effectiveness, and quality
- Are the most monitored in history

Common Side Effects

NOTE Severe side effects, such as blood clots, have been reported to occur and are taken extremely seriously by healthcare officials. Talk to your healthcare provider if you have questions.

COVID-19 Vaccine for Kids

There is no way to know how COVID-19 will affect your child, even if they do not have underlying health conditions. Just like adults, children can get very sick and experience long-term complications from COVID-19. The vaccines help prevent your child from getting very sick or being hospitalized from COVID-19.

Getting your child vaccinated against COVID-19 can provide you with greater confidence for them to participate in childcare, school, and other activities.

Kids and COVID-19 Vaccines: What Parents and Caregivers Need To Know

Children as young as 6 months of age can get a COVID vaccine.

Both COVID-19 mRNA vaccines are safe for children as young as 6 months of age. Children receive the same vaccine as adults, but the dose is smaller depending on their age.

Children are as likely as adults to be infected with COVID-19 and can spread the virus to others. Children can also get very sick and have short and long-term health complications from COVID.

Both vaccines are effective in reducing the risk of COVID disease and its possible long-term effects. Side effects from the vaccines are usually minor, including fever and soreness where the shot is given.

Contact your local health care provider, clinic or pharmacy to get your child vaccinated.

Ask your child's health care provider about any questions you have about the COVID-19 vaccine.

Vaccine	Ages	Number and timing of shots needed
Moderna	6 months and older	<ul style="list-style-type: none"> All ages receive 2 shots. The 2nd shot is given 4-8 weeks after the 1st. Booster shots are recommended for all people over 18 years old, 5 months after the initial doses.
Pfizer	6 months and older	<ul style="list-style-type: none"> Young children 6 months- 4 years receive 3 shots. The 2nd shot is given 3 weeks after the 1st, and the 3rd is given 8 weeks after the 2nd. People over 5 years old receive 2 shots. The 2nd shot is given about 3 weeks after the 1st. Booster shots are recommended for all people 5 years and older, 5 months after the initial doses.

Greetings,

Senior staff thanks everyone who came to help volunteer for this year's Senior Fun Day. All the elders who attended had a really good time, there were lots smiles and laughs. We received many compliments from attendees, acknowledging how helpful and pleasant staff and volunteers were. Some of the seniors thought we had catered the meal and were very surprised to learn that our amazing staff prepared and cooked the meal. The seniors enjoyed the Hawaiian dancers and the stories. The information tables and presenters were well received and helpful. Ping Poom Pow brought Hawaiian Shaved ice for everyone to enjoy.

We couldn't have had such a successful event without everyone's help. We appreciate and thank every one who helped in so many ways.

Thank You from the Senior Center Staff

Dolly, Teresa, Milo, Mary, John, and Josephine

RECRUITMENT FOR ELECTION BOARD MEMBERS

Notice to Reno-Sparks Indian Colony Enrolled Members

An Election Board consisting of five (5) members and two (2) alternates shall be appointed within six (6) months before the Tribal Election and the terms of office for these officials shall be for two (2) years. The Election Board Members shall be compensated at a rate prescribed by the Tribal Council.

The Standing Rules for Committees and Advisory Boards of the Reno-Sparks Indian Colony were revised and adopted by the Tribal Council on 10-31-2012, Resolution No. 2012-RS-53. Rule No. 8, states – Each person appointed as a member of a committee or advisory board shall not sit on more than two committees or advisory boards at a time; this is combined, meaning that if a person sits on a committee and an advisory board, that person has reached the limit under this rule. The only exception is if a person sits on an intermittent board, such as the Election Board; in that instance the person is subject to the limit of this provision but can sit as a member on one intermittent committee or advisory board. A person can only serve as the Chair of one committee or advisory board at a time, including an intermittent committee or advisory board.

The 2023 Tribal Election will be automated. Training will be provided to the Election Board. The training will include use of the ballots, voting tabulators, voting booths, and the AutoVote Management System. The automated voting process will allow for the 2023 Tribal Election results to be available within 10 minutes after all ballots are cast at the polling sites, at Reno-Sparks Indian Colony and Hungry Valley, and the polling sites are closed.

Any interested RSIC Enrolled Member may submit their signed letter of interest to the Tribal Administrator's Office at 34 Reservation Road, Reno, NV 89502. No emails will be accepted.

RECRUITMENT FOR LAW AND ORDER COMMITTEE MEMBERS

Notice to RSIC Enrolled Members

The Law & Order Committee is currently recruiting for four new members. Appointments made to the Committee are for a four-year term and members are appointed by the Tribal Council. The Committee, pursuant to the bylaws, are scheduled to meet the first Wednesday of each month at 6:30 p.m.

The Committee shall be compensated at a rate approved by the Tribal Council.

The Standing Rules for Committees and Advisory Boards of RSIC has been revised and were adopted by the Tribal Council on 10-31-2012, Resolution No. 2012-RS-53. All Committee members must abide by these rules. Please see the Tribal Administrator's Office for a copy of the Standing Rules.

Any interested RSIC enrolled member may submit their applications to the Tribal Administrator's Office located at 34 Reservation Road.

RECRUITMENT FOR

RENO-SPARKS INDIAN COLONY POWWOW COMMITTEE MEMBERS

Notice To Reno-Sparks Indian Colony Enrolled Members

The Reno-Sparks Indian Colony Powwow Committee is seeking two (2) RSIC Enrolled Members who are interested in serving on the Committee. Any interested RSIC Enrolled Member may complete the application and submit their signed letter of interest to the Powwow Committee Chairman at 34 Reservation Road, Reno, NV 89502. No emails will be accepted.

The Reno-Sparks Indian Colony Powwow Committee consists of no fewer than four (4) and no more than seven (7) members. Each member shall hold office until his/her term expires, or until he/she resigns or is removed from office in accordance with the Bylaws and Standing Rules for Committees and Advisory Boards of the Reno-Sparks Indian Colony. Committee Members are appointed by Tribal Council.

The Standing Rules for Committees and Advisory Boards of the Reno-Sparks Indian Colony were revised and adopted by the Tribal Council on 10-31-2012, Resolution No. 2012-RS-53. Rule No. 8, states – Each person appointed as a member of a committee or advisory board shall not sit on more than two committees or advisory boards at a time; this is combined, meaning that if a person sits on a committee and an advisory board, that person has reached the limit under this rule. Western Mining Action Network Conference 2022 in Reno, NV

with Protect Thacker Pass as a focal point. Indigenous Peoples, Environmental Organizations, and Earth Protectors converged from all over the world to say, "You Can't Mine Your Way Out of Climate Change!". It was a great week of networking, hearing from others about mining/extraction issues that affect all communities, and looking to one another for support and solutions. Attendees of the conference also, took a trip to Thacker Pass or PeeHee MuHuh to pray and understand the beauty and sacredness of this place. Everyone left inspired.

The Spotlight

For a photographer, this special can be very challenging and very creative. The spotlight special is what I and everyone that comes to the Numaga Indian Days Pow Wow look forward to. As the lights go out and the excitement begins to build, as the MC announces the dancer and the spotlight illuminates the dancer, and the drum begins to beat, the dancer becomes a spectacular sight to see and with every drum beat the dancers movement become art and style. An element that captivates my creativity and blending the movement, the moment , the excitement , and having the right lens, the adjustment settings on the camera. Not every image taken, does not always come out perfect. But for me, the performance begins when I get home and load up to the computer. With adjustments, here is what my eye sees. As most, it has been two years since our last pow wow. I dream and plan for next years spotlight special, this year the moon played a part in the composition, I watched during the evening where the moon will be as the evening grew and when the special is planned to begin. I hope you enjoy these images as much as I do.
