March 13, 2020 – PUBLIC ANNOUNCEMENT on COVID-19

All RSIC Tribal Members & Residents,

As the Chairman of the Reno-Sparks Indian Colony and on behalf of Tribal Council, I would like to assure you, the Reno-Sparks Indian Colony is doing everything within its capability to protect our tribal community from the outbreak of the Novel Coronavirus (COVID-19). First, I must express how important it is that we approach this with a sense of calm and responsibility.

We are working closely with our Tribal Health Center and Emergency Services Department to execute our Continuity of Operation Plan (COOP). The COOP Plan is to ensure that RSIC is fully capable of addressing all types of emergencies, including the outbreak of COVID-19. The Tribal Health Center, Emergency Services Department, Tribal Council and Directors have been attending numerous meetings, webinars, conference calls, etc... to keep in sync with the Center for Disease Control (CDC), World Health Organization, Nevada Department of Health and Human Services, Washoe County Health District, and Indian Health Services to make decisions regarding COVID-19.

Right now, the Tribe has decided to cancel/postpone all March-June community events and suspend employee out-of-state travel until further notice; as well as, working with the Public Works Department to sanitize all public areas and offices only. They are not giving out any supplies at this time. The Tribal Health Center has also fully activated their action plan to take precautionary measures to protect patients, community, and RSIC Staff. The Senior Center is providing home delivery lunch only. They are not serving lunch at the Senior Center (TLC location).

In collaboration with the Tribal Health Center, we have attached a *Family Handbook – Preparing for the Novel Coronavirus Disease (COVID-19)* and Reno Sparks Indian Colony Declaration of Emergency, following Governor Sisolak's Nevada State's Declaration of Emergency.

We will do our best to keep you informed on the fast changing status of COVID-19 and resources that are available to tribal members, as they develop. Additionally, follow Reno-Sparks Indian Colony on Facebook or go our website at www.rsic.org and click on the COVID-19 Information box. The Family Handbook will also be available on www.rsic.org.

Another way to find current COVID-19 information is to go online to the Centers for Disease Control and Prevention website at www.cdc.gov or Washoe County Health District website at www.washoecounty.us/health.

We kindly ask, if you have any of the COVID-19 symptoms to call the Washoe County Health District for a Coronavirus Assessment at 775-328-2427. We also ask you to be a good neighbor and report your status to the Tribal Health Center; 775-329-5162; to help from spreading to other community members; especially our elders.

The Reno-Sparks Indian Colony is doing everything within its capability to protect our tribal community from the outbreak of the Novel Coronavirus (COVID-19). Again, I must express how important it is that we approach this with a sense of calm and responsibility. As a community, we all have a greater responsibility, in times like this, to protect and care for our families, our elders and children. I am confident that if we work together and follow the preventive measures we should be ok. We will keep you informed.

Respectfully,

Arlan D. Melendez
